

## Weekly Update

Group Name/number: \_\_\_\_\_ Group 10 \_\_\_\_\_

Date of update (this will always be a Tuesday): \_\_\_\_\_ 03/30/2020 \_\_\_\_\_

### Item

1.	<p>Proposal:</p> <ul style="list-style-type: none"><li>① In order to complete this week's proposal, we divided the tasks of each team member in detail.</li><li>② We realized the design of the poster to promote and show our work.</li><li>③ In order to facilitate the display and description of the product, we have made a PPT, which details the design concept and function of our product.</li><li>④ We made a video to show the product and complete the proposal more smoothly and concretely</li></ul> <p>Code:</p> <ul style="list-style-type: none"><li>⑤ To optimize the entire product, we cleaned up the previous code.</li></ul> <p>Improvement:</p> <ul style="list-style-type: none"><li>⑥ In response to feedback from both the teacher and the TA, We revised and redid the weekly update from the first week to the fourth week.</li></ul> <p>Other:</p> <ul style="list-style-type: none"><li>⑦ Completed the animation used for the modeling of the items, and bone binding.</li></ul>
2.	<p>Questions, issues?</p> <ul style="list-style-type: none"><li>① In this week's remote group video conference, only four of our group's original five students attended. Because he was absent for at least two consecutive weeks and didn't give the reason for his absence, we temporarily designated him as "free rider" after discussion.</li><li>② We're not sure if the proposal we've completed this week meets the requirements.</li><li>③ We're not sure if our weekly update is up to standard.</li></ul>

3.	<p>We would like feedback on...</p> <p>①We are very happy to see the arrival of the new TA. The new TA has made clear answers to our previous problems and has a serious and responsible working attitude.</p> <p>②This week, our team members have a clear division of labor, making full use of the advantages of online meetings to split and discuss the characters.</p> <p>③Through this week's course, we have realized how to make a good and successful proposal.</p>
4.	<p>What we plan to do this week:</p> <p>①Continue to beautify the front-end interface.</p> <p>②Optimize Android applications.</p> <p>③Add dynamic PET type recognition and user comment emotion automatic analysis.</p>
